STATEMENT OF INTENT

For a Sound Broadcasting Contract for the provision of a Broad-Format Local Service for North Donegal

Publication date: 13 June 2024

Deadline for response: 11 July 2024

Introduction

- 1.1 The sound broadcasting contract for the provision of a broad-format local sound broadcasting service on the FM band for the franchise area of North Donegal (“the Contract”), currently held by Donegal Highland Radio Limited and broadcasting as Highland Radio, is due to expire on 30 March 2025.
- 1.2 In accordance with Section 65(6) of the Broadcasting Act 2009 as amended (“the 2009 Act”), Coimisiún na Meán (“the Commission”) placed a notice in a national newspaper and on its website, on 21 March 2024 seeking expressions of interest for the Contract. By the closing date on 20 May 2024, the only expression of interest received was from the current holder of the sound broadcasting contract, Donegal Highland Radio Limited.
- 1.3 The Commission assessed the expression of interest at its meeting on 6 June 2024. The Commission considered the respondent to be the incumbent and the submission to be made in good faith. In these circumstances, the Commission decided to invoke the fast-track procedure under Section 67(2) of the 2009 Act for the award of the Contract.
- 1.4 Accordingly, on 13 June 2024, the Commission placed a public notice in a newspaper circulating in North Donegal¹ and on its website stating its intention to invoke the fast-track application process for the award of the Contract.
- 1.5 Potential respondents must make a submission by **12 noon on 11 July 2024**, stating that they wish to apply for the award of the Contract (“Statement of Intent”).
- 1.6 The Statement of Intent must be accompanied by a deposit of **€20,000**, which is refundable if an application is subsequently submitted to the Commission pursuant to an invitation to apply for the Contract issued under Section 65(8) of the 2009 Act.
- 1.7 The Statement of Intent must be submitted in the format specified in Section 2 of this document.
- 1.8 If the Commission receives a Statement of Intent and the required deposit, the Commission will proceed to invite applications for the award of the sound broadcasting contract for the area concerned. If an invitation to apply for the award of the contract is issued, the term of the Contract, if awarded, will be for a period of ten (10) years.
- 1.9 An indicative guide for the application for a sound broadcasting contract under Section 65(8) of the 2009 Act is available on the Commission’s website or on request from licensing@cnam.ie
- 1.10 Statements of Intent may be published on the Commission’s website once they have been considered, and the next stage in the process is determined by the Commission.
