

Scenario 1

My friend received a nasty comment on one of her videos. It said, 'You have awful taste in clothes'. I reported it to the platform, but they responded saying it's not a breach of their community guidelines. What can I do next? Can I report to Coimisiún na Meán?

Questions to consider

Tick (✓) the box you think is correct.

1. Is the content in these posts illegal or harmful?
(see Table of Laws handout)

Harmful

Illegal

2. Has the person reported the post/content to the platform already?

Yes

No

3. Remembering the video you watched, does this scenario fall under your rights under the new Online Safety Framework?

Yes

No

Not sure

Can this post be reported to Coimisiún na Meán?

Yes

No

Not sure

If a post can't be reported to Coimisiún na Meán, who else could a young person turn to if they are having issues online?

1.

2.

3.

4.

Scenario 2

I saw a horrible video online forcing dogs to fight. People keep sharing the video, so I see it a lot. I feel so bad for the dogs as they were getting hurt. I reported it to the platform, but nothing happened. I didn't get a response and it wasn't taken down. What can I do next? Can I report to Coimisiún na Meán?

Scenario 3

There was a new challenge recently on social media. A lot of my friends were taking part, but some of them got injured. I'm getting pressured to do this challenge myself, but I don't want to. If I report this to the platform, what happens? Can I report to Coimisiún na Meán?
